Alvin Bragg has irreparably damaged our country in an attempt to interfere in our Presidential election.

As he routinely frees violent criminals to terrorize the public, he weaponized our sacred system of justice against President Donald Trump.

The American people will not tolerate this injustice, and the House of Representatives will hold Alvin Bragg and his unprecedented abuse of power to account.

Trump deserves to be held accountable, he is not above the law, you are such a disgrace to the office, you turned your back to your oath and to the Constitution.

"No one is above the law" is one of the dumbest opinions one can have. It always misses the point.

Everyone is above imaginary crimes and trumped up charges. Everyone is above political prosecutions. Everyone is above over-charging. [twitter.com/PoliticusSarah...](https://twitter.com/PoliticusSarah)
